TEAM PASSPORT

A Journey of Problem Solvers

AMRITAPURI REGIONALS 2025

A MESSAGE FROM THE REGIONAL CONTEST DIRECTOR

ICPC is more than a programming contest.

It is a training ground for how you think, collaborate, and respond under pressure.

The problems you face here may be solved in hours, but the habits you build endure far longer—clarity of thought, honest effort, respect for teammates, and persistence when solutions are not obvious.

This passport belongs to a team that chose to take that journey together.

I hope this experience strengthens not only your problem-solving skills, but also your confidence to face challenges far beyond programming.

I wish you clarity in thinking, calm under pressure, and joy in learning.

Welcome aboard ICPC Amritapuri.

VIPIN PAVITHRAN
REGIONAL CONTEST DIRECTOR
ICPC AMRITAPURI

Problem solving is a journey.

It begins with curiosity, grows through discipline,
and is strengthened by teamwork.

This passport marks the start of a shared journey—
one where thinking matters more than shortcuts,
and learning matters more than results.

WARNING

This passport may cause excessive thinking, whiteboard scribbling, sudden joy on AC, and brief despair on WA.

Use responsibly—as a team.

VISA / ENTRY PERMIT

Class : ALGORITHMIC CLASS – T1

Visa Type : P1 – Problem Solver (Multiple Entry)

Issued By : ICPC Amritapuri Regionals

Valid For : Logic, algorithms, teamwork,
and calmness under pressure

ICPC SPIRIT

CODE OF CONDUCT

Integrity

We compete with honesty and respect.

Rigor

We value precision, depth, and disciplined thought.

Teamwork

We listen, collaborate, and lift one another.

Perseverance

We remain steady in challenge and uncertainty.

Humility

We grow by learning — especially from failure.

Impact

We use knowledge to serve society.
